# Chairman's Corner

Welcome members and Security professional to the 2006 year of the North Texas Chapter of ASIS. Our Chapter is very special not only because of its many distinguished members, but also by the fact that we are the 4th largest ASIS Chapter in the world and that we host the largest LEAN event in the world.

This year, we will again be hosting our usual events including the Golf Tournament, LEAN Night, Secure World Expo, charitable contributions and scholarships as well. New this year will be our monthly meeting place at the Embassy Suites Hotel located at 183 and Valley View. This site will offer a more central location for both our Dallas and Ft. Worth members. Plus, the accommodations will be improved. We also plan to add a way for members to pay in advance for the monthly meetings on our website.

Finally, our Chapter can only be as successful as the involvement of its members. Your ideas and suggestions provide a gauge for the Officers to guide activities and provide speakers for your interests. I am very proud and impressed by the Officers we have for this year. Their mission statement is to make this the most interesting, informative and fun year ever for our Chapter. So please feel free to contact any of the Officers with your thoughts.

Rob Goll  
Chapter Chairman

## **Golf Tournament June 2<sup>nd</sup> at Hyatt Bear Creek**

The golf tournament scheduled for June 2<sup>nd</sup> at Hyatt Bear Creek is underway with 6 teams confirmed for this event, so far. Let's make this year's event bigger than any so far. We have decided to make our charitable contribution to "Assist the Officer Program". All proceeds from the golf tournament will go to this charity. The foundation was established to give financial assistance to police officers who are facing the loss of income due to a serious injury, life-threatening illness or other catastrophic event. Immediate assistance is also available to an officer's family in the event of the death of an active officer.

I feel that this foundation is a very worthy cause, and with the help of our vendors, the ASIS North Texas Chapter, and your continuing support we should be able to give a generous check to this cause.

For all those that helped and worked tenuously on the tournament last year, thank-you!  
Your sponsorships have really helped us move forward, with the event and made us strive to improve the way we do business every year. Without your contributions and support it would not even get off the ground.

We look forward to doing this event every year and are committed to make it better every time we do it. My partner in crime for this event is Bill Casey; he has done a tremendous job in helping put together the teams, and working with the Hyatt Bear Creek to make this our home course. *Salute Mr. Casey!*

We are asking for your great support once again, and we know it's early, but it to get the tournament moving in the right direction we need funds and commitments now. If you need the flyer or invoices for the event contact me; [jhewitt@trammellcrow.com](mailto:jhewitt@trammellcrow.com) or 214-438-8861. You can also download the forms from the chapter site; <http://www.ntx-asis10.org/>

Thank-you  
John Hewitt, CPP
