Lt. Anthony Williams
Dallas Police Department

Topic:

“Workplace Violence Mitigation”

Chairman’s Corner

By Michael Finnegan, CHS-III

Our Chapter Happy Hour at the Addison Cigar Bar was a huge success, we had over 60 people join us for fun and we had a great time networking and renewing old friendships, what a great opportunity to get to see old friends. I really enjoyed getting the chance to meet and greet some of the members that cannot usually make the day time lunch meetings. I would also really like to take this time to thank Martin Cramer and SGI for their generosity in sponsoring the drinks and Rob Goll of Securitas as well for taking care of the great food. If you missed this Happy Hour, get ready we are already planning the next one!

Bob Smoot tells me that the LEAN event is coming on strong. Do not forget that the big event is on May the 8th at “Eddies Dean’s Ranch” in Downtown Dallas. The corporate sponsors are starting to line up so if you have not bought your tickets or made your donation lets get in line and get it done soon. We are always in need of door prizes and ticket donations for law enforcement, so if you would like to contrib-

ute please contact Bob Smoot, Jim Dollar or anyone on the Executive Board, and we will be happy to fix you up.

The Annual Hackers Golf Tournament is scheduled for October 9th 2008 at the Indian Creek Golf Club in Carrollton, Texas. We have reserved both courses and we will have a 10am tee time. This year, the tournament promises to be a lot of fun. Look for plenty of entertainment for golfers and non-golfers alike. All proceeds will go to the “Assist the Officer Foundation” again this year. If you would like to be a corporate sponsor or make a donation Please feel free to contact me at anytime. I would like to challenge some of the Corporations to sponsor a few teams for law enforcement officers if possible. We will be sending out the registration flyer within the next couple of weeks, so sign up early!

We recently asked all of you to answer a survey that was sent out in regards to what you as a chapter member would like to see done this year. The responses were great and we have listened to you. We are currently making the moves to give you what you want. Many of you listed specific topics on what you would like to hear and learn about at our upcoming lunch meetings. This month we will discuss Workplace Violence Mitigation as the topic for the month.

In today’s society workplace violence is more common than ever. We believe that this topic will be of interest to all. I am proud to present to you Lt. Anthony Williams of the Dallas Police Department to discuss this interesting topic

Lt. Anthony W. Williams is a life long resident of the City of Dallas and was raised primarily in the shadows of the now defunct Bishop College.

“Chairman” Continued on page 2.

"Chairman" continued from page 1.

He graduated with high honors from the Marine Military Academy in Harlingen, Texas. He received several nominations from U.S. service academies, but elected to stay close to his family in Dallas.

After attending community college he gained employment with the Dallas Police Department in 1984. Anthony rose through the ranks of the department in a relatively short period of time and attained the rank of police lieutenant. To his credit he has commanded or had assignments in the Youth Division, Communications, Southwest Patrol, Interactive Community Policing, Public Information Office, and served as the Special Assistant to the Chief of Police. Anthony currently serves as the Commander of the Police Aviation Unit.

Anthony received a Bachelors Degree from Paul Quinn College (Summe Cum Laude) and continued his education at Prairie View A&M University receiving a Master's Degree in Educational Administration. He is also a graduate of the Southwest Law Enforcement Institute and the Institute for Law Enforcement Administration Management College.

Please join me and the other Chapter members on April 10, 2008 at our monthly luncheon as we welcome Lt Williams to discuss this great topic.

We hope to see all of you there, do not forget to register early and use PayPal.

Take Care,
Michael Finnegan

Treasurer's Report

By Laura Biland, CPP, CFE

As an attendee, I believe the March Reception at Addison Cigar & Tobacco Company was a great success! We had a wonderful turn-out, which always benefits our chapter budget. I'd like to extend a special thanks to our sponsors, SGI Protective Services, SYSTEMSgroup, and Securitas, for a wonderful evening. We hope to plan another evening reception later in the year.

We are in full planning mode for LEAN on May 8th. Jim Dollar and Bob Smoot are doing a stellar job coordinating the logistics for the 44th annual event. We've already received several checks for tickets and donations; please contact Jim, Bob or one of the Board Members if you would like to purchase tickets or make a donation. We anticipate another fabulous event with plenty of food, drinks and door-prizes, so please spread the word!

We've begun planning the golf tournament, which will be held in October this year. We thought it would be a good idea to distant the tournament from LEAN, so everyone has a chance to attend both events. Also, we should have nicer, cooler weather this time of year versus the summer time. We will have more details in the upcoming months as we finalize the plans, so stay tuned.

I look forward to seeing you at the April Luncheon. Be sure to RSVP and pay on-line ahead of time!

44th Annual Law Enforcement Appreciation Nite (LEAN)

By Bob Smoot, LEAN Committee Chairman

Well folks, it's on top of us again. The second Thursday in May will be our Annual LEAN. This will be our 44th year. Usually the North Texas Chapter has the largest LEAN within the Society. I'm looking forward to another good year. Our Chairman, Mike Finnegan has reminded me that if you know of anyone within the industry that could support our effort, contact them, even if they are not a member of ASIS.

The first order of business is to say a large thank you to James Delamore and Corporate Security Staff at Frito-Lay. James stepped forward and provided the ticket printing at no cost to the Chapter. This will enable us to apply more money toward door prizes. Thanks James. And by the way, the board has approved to spend up to just sort of 5K for the guns this year. We should have 15 plus guns to give away this year.

Jim Dollar is busy collecting money from Corporate Sponsors. If he has not contacted you, give him a call at 214-638-4961. You will be listed on Corporate Sponsors Boards the nite of the event and listed in the May newsletter. Plus, you will be invited to a special reception the nite before the event. The reception is to honor Corporate Sponsors, Our Executive Committee, National Board Members and LEAN workers. It will be at a new location this year. You must RSVP with Jim Dollar or myself. Two National Board Members and one former National President has RSVP. I forgot to mention, That a power point presentation will be will be shown the nite of the event of all Corporate Sponsors. I'm sure you will be pleased, Thanks to Texas Instruments.

Don't forget that I get numerous calls from various Law Enforcement folks wanting tickets. If you don't have anyone to invite, give me a call/ email and I'll hook you up with them. This is a very popular nite for North Texas Law Enforcement.

The cost of the tickets is the same as the monthly meeting cost, \$25.00 each. Tickets will not be sold at the door. We have to plan on the amount for the amount of food we require. So please order you tickets early so we can have adequate food.

The location is the same as last year, Eddie Deen's Ranch. It is located on the northeast corner of Lamar and I30, just south of the Dallas Convention Center.

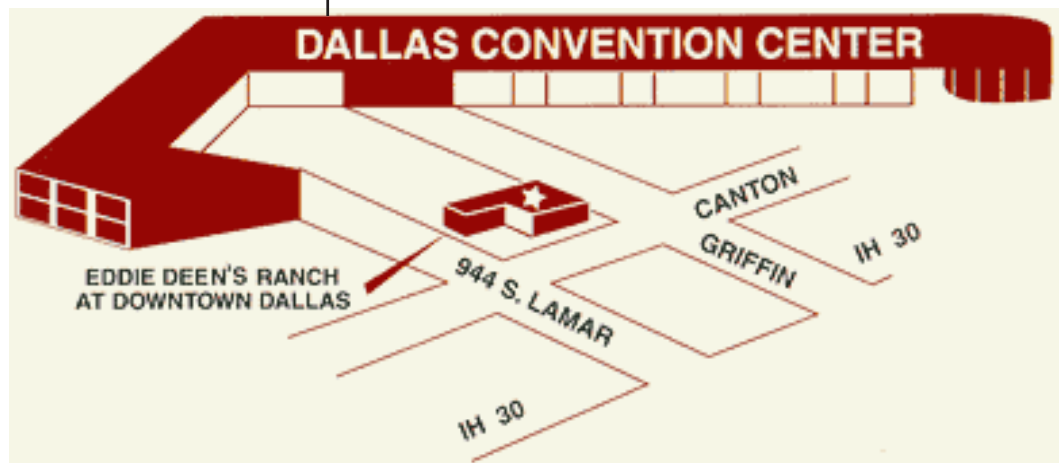

There will be a pickup load of door prizes, including many guns. Boots and Jeans is dress for the nite, hat is optional.

If you can come by 5:00 PM I will need extra workers to help with the event. You will not miss any of the action. Doors open at 5:30 PM.

Lets make this year our best year ever.

Below is listed folks you can get tickets from. We can mail or meet you to get your tickets to you. Because of the cost of GAS I encourage you to order your ticket early so we can mail them to you. All of the Executive Committee has tickets to sell.

2008 CPP Review

By Carl A. Konosky, CPP

The 2008 ASIS North Texas Chapter CPP review will be held at the US Postal Inspection Headquarters office located at 14800 Trinity Blvd, Ste. #600, Ft. Worth, TX 76155. This is located just south of DFW airport near American Airlines Headquarters. The review sessions will begin on Tuesday June 3 at 6:00 PM and continue every Tuesday at that location and time for the next seven weeks.

The eight sessions covered will be:

6/3	Mo Ogelsby, CPP - Security Principles and Practices	7/1	Emergency Practices
6/10	Business Principles and Practices	7/8	Investigations
6/17	Personnel Security	7/15	Legal Aspects
6/24	Physical Security	7/22	Information Security

I still need current CPP's to volunteer to help moderate these sessions. If you are interested in participating as a moderator please call or e-mail me. This does count towards your recertification credit. My information is as follows:

Code of Conduct at Chapter Meetings

ASIS International has adopted a position on professional conduct at chapter meetings for members who supply goods or services.

As an organization of professional security practitioners, it is desirable that chapter meetings be held in an atmosphere free of uninvited commercial distractions. ASIS endorses a policy that prohibits members who provide and sell security or consulting services from initiating a sales effort immediately before, during, or after a chapter meeting while at the meeting location.

Adherence to this policy will result in maintaining an atmosphere in which members are able to discuss matters affecting their profession without being the object of a sales presentation. This policy does not prohibit an organized program wherein a service company may present the program from that day, nor does it prevent a member in the service industry from responding to an inquiry.
