

ASIS INTERNATIONAL NORTH TEXAS CHAPTER May 2008

Celebrating 51 Years 1957-2008

44th Annual Law Enforcement Appreciation Nite (LEAN)

By Bob Smoot, LEAN Committee Chairman

Our next chapter meeting will be our 44th Annual LEAN. It will take place at Eddie Deen's Ranch located on the Northeast corner of Lamar and I30. This is just south of the Dallas Convention Center. There is a map on the back of the ticket, plus a map in this newsletter.

Doors will open at 5:30 pm and BBQ will be served around 7:00 pm. Between 8:00pm and 8:30pm, we will begin the door prizes. Dress Code is boots and jeans, or the suit you had to wear that day!

This is annual old home week for North Texas Law Enforcement. Not to mention that this LEAN is the largest of any Chapter in all ASIS International. If you don't know any officers to invite, get in contact with me. I always have some folks who don't have a sponsor. Remember, we don't allow Law Enforcement to purchase tickets. If we don't get a sponsor, the Chapter will pay for it from the Corporate Sponsors donations.

Jim Dollar, (our resident Chapter beggar) reports that Corporate Sponsors are going well. Ticket sales are slow as usual. Every-

one wants to wait until the last minute to get their ticket. Please get your ticket early. We have to give the Ranch a hard number for required food. You cannot buy a ticket at the door. **Ticket sales will stop on Tuesday, May 6th.**

Jim Dollar will print the large Corporate Sponsors Boards on Tuesday. If you want your Company listed, please contact Jim before Tuesday. If we didn't have

the Corporate Sponsors, we could not even begin to pull this event off. THANK YOU CORPORATE SPONSORS. Additionally, TI will create a PowerPoint presentation listing all sponsors' logos and names. Please get your info to Jim ASAP. May 6th is the cut-off date for your information to be listed. Please get that information to Jim or Michael Finnegan if you want to be included in the PowerPoint presentation. Plus, you will be listed in the June Newsletter.

I need extra help. If you can come by 5:00pm, you won't miss any of the activities.

Don't forget, a reception will be held the night before honoring all Corporate Sponsors. You must RSVP with Jim Dollar or me.

It is with mixed emotions that this will be Bob and Jim's last year as leaders of LEAN. It is time for new blood to run LEAN. I will formally retire from the security industry and Jim will continue his employment with Guardsmark. We cannot tell you how rewarding this adventure has been. When we began, only Chiefs of Police were invited. Now, all levels of Law Enforcement in North Texas are included. That was our

goal when Jim and I agreed to handle LEAN for the chapter. The present Executive Committee is very strong. Michael Finnegan has done a great job. I know we are leaving you in good hands. Jim and I wish only the best for the North Texas Chapter. North Texas will continue to have the largest LEAN in the Society because of the great support this membership gives. It takes a good team of horses to pull a heavy wagon. This is a heavy wagon and you are a strong team. Thanks for allowing us to be on your team.

This is shaping up to be one our best years in a long time. Remember, get your tickets early. Come prepared to have a great time. Below is a list of folks you can get tickets from.

Lean is here! Time is running out to buy your tickets and to get your law enforcement partners invited to the event. Please make your calls and get those tickets bought soon! WE are really excited about this awesome event and the team has really put a huge amount of time and effort into making this year's LEAN one of the best ever. I want to Thank all of the corporate sponsors in advance for their generosity and support for making this event happen. This year you will notice several changes in the event to include live entertainment, more exposure for the corporate sponsors through media upgrades and even better door prizes. I hope all of you can make the event, as it promises to be a fun occasion for all who attend.

In case you have not heard, this year will be the final LEAN event for both Bob Smoot and Jim Dollar. The dynamic duo have decided to retire after this year's event and turn the wheel over to someone else. These guys have been putting on this event for many

many years. Through their dedication and hard work they have made the event one of the most outstanding ASIS events year after year. The North Texas Chapter LEAN event is the largest law enforcement appreciation event in the country! The Chapter will have a tough time finding replacements to fill the big boots being left behind. I know that they will be missed. I truly enjoyed working with both Jim and Bob and I will miss them. So, come out and help us Thank both Jim and Bob as they celebrate their last LEAN event as the leaders and organizers of this great event.

Next month, because of the great success that we had at our last Happy Hour we have decided to have another Chapter Happy Hour. The June event will be held at the “House of Blues” located at Victory Park close to downtown Dallas. We hope to see all of you there. Watch the website for the flyer and the information on this fun event. I want to thank Securitas and Allied Barton in advance for sponsoring this event. Please sign up early so that we can get a good headcount for food and drinks, and do not forget to use Paypal!

In closing I again want to Thank Bob, Jim and all the Board members, volunteers, and everyone that have had a hand in getting the LEAN event up and running this year all of you are awesome! WE will still need several chapter members to help out the night of the event. Just call Bob or Jim and they will put you to work. So please make contact with them and see what you can do to make the event run smoothly.

Take care; I look forward to seeing you at the event.

If you need tickets or want to make a donation, please contact Bob Smoot, Jim Dollar or one of the Board Members no later than May 6th so we have a firm headcount.

In June, we are having another Happy Hour in place of our monthly luncheon. We had such positive feedback and a great turn-out for the March Happy Hour that we thought we should do it again! So this time it will be held at House of Blues in Dallas on June 19th at 6:00PM. As always, please RSVP and pay on-line in advance so we have an accurate headcount. It should be a fun event, so please join us!

Code of Conduct at Chapter Meetings

ASIS International has adopted a position on professional conduct at chapter meetings for members who supply goods or services.

As an organization of professional security practitioners, it is desirable that chapter meetings be held in an atmosphere free of uninvited commercial distractions. ASIS endorses a policy that prohibits members who provide and sell security or consulting services from initiating a sales effort immediately before, during, or after a chapter meeting while at the meeting location.

Adherence to this policy will result in maintaining an atmosphere in which members are able to discuss matters affecting their profession without being the object of a sales presentation. This policy does not prohibit an organized program wherein a service company may present the program from that day, nor does it prevent a member in the service industry from responding to an inquiry.
